Memorandum

To: Story County Conservation Board

From: Michael D. Cox, Director

Date: March 7, 2022

Re: Consideration of Rescinding the Face Covering Requirement.

The Board of Supervisors removed Story County's Face Covering Policy this week per new CDC guidance that was issued last Friday. Employees and building visitors will not be required to wear a face covering in the common areas of the building or when social distancing is not feasible. Staff may still wear a face covering if they choose to do so.

We are requesting similar action from the SCCB. SCC will continue to follow CDC guidance. An employee may be required to wear a face covering if returning to work after testing positive for Covid-19.

We request your approval.
